

WAYPOINT CHURCH

Facility Use Policy

The Waypoint facilities were provided through God's benevolence and by the sacrificial generosity of church members. Although the facilities are generally not available to outside organizations or the public, Waypoint Church may approve the use of our facilities by partner organizations, groups and individuals for certain religious ceremonies and community events as a witness to our faith, in a spirit of Christian charity, and as a means of demonstrating the Gospel of Jesus Christ in practice. Waypoint Church is required by federal law to charge for the use of its facilities whenever that use would be considered for the benefit of private interests. Therefore, certain requests for use of Waypoint facilities can only be granted upon payment of a use fee.

The church, consistent with its faith, moral teachings, and religious practices, which are based upon the Holy Bible, and represented in, among other places, the church's constitution, bylaws, and policies, desires that its facilities be used to bring God glory and to accomplish His church's mission. The use of our church facilities will not be permitted to groups or individuals holding or advocating beliefs or practices that conflict with the church's faith, moral teachings, and religious practices (2 Corinthians 6:14; 1 Thessalonians 5:22).

This policy applies to all church facilities, regardless of whether the facilities are connected to the church's sanctuary; including but not limited to, the Realm, the mission house, the parking lots, children's playground, and landscaped areas. The church sees all of its property as set apart for the worship of God consistent with our faith, moral teachings, and religious practices (Colossians 3:17).

Stipulations

Only the ministerial staff or the Church Council may approve the use of Waypoint facilities. The following stipulations must be met in order to qualify for use of Waypoint facilities:

1. The ministerial staff or the Church Council must affirm that the partner organization, or the group or individual requesting use of Waypoint facilities, do not hold to beliefs, practices, or planned uses of the facilities that are in conflict with the church's faith, moral teachings, and religious practices (2 Corinthians 6:14; 1 Thessalonians 5:22).
2. The partner organization, or group or individual requesting use of Waypoint facilities must submit a completed and signed Facility Reservation Request and Agreement form.
